

## CALL FOR PROPOSALS STUDENT MOBILITY FOR PLACEMENTS <sup>12</sup>

Erasmus+ is the European Commission's most successful program in support of education, training and youth. John Wesley Theological College is committed to Erasmus+ and it is an essential goal of our College to encourage more of our students to participate in the program. ### **The aim of the student mobility application is:**

Mobility can only be realized if the studies abroad are accepted by the sending institution (Wesley), and it is included in the student's progress at home - on the Wesley credit numbers and with a converted grade or indicated in the diploma supplement.
