

## CALL FOR PROPOSALS STUDENT MOBILITY FOR ACADEMIC STUDIES <sup>12</sup>

Erasmus+ is the European Commission's most successful program in support of education, training and youth. John Wesley Theological College is committed to Erasmus+ and it is an essential goal of our College to encourage more of our students to participate in the program. The College is therefore launching an institution-wide call for applications to participate in the Erasmus+ student mobility program for the academic year 2024/2025.

### **The aim of the student mobility application is:**

Its purpose is to enable the acquisition of educational, linguistic, and cultural experiences in a higher education institution in another program country. Mobility for academic purposes should promote the student's academic progress and the development of their personal skills. Mobility can only be realized if the studies abroad are accepted by the sending institution (Wesley), and it is included in the student's progress at home - on the Wesley credit numbers and with a converted grade or indicated in the diploma supplement.
